OBJECTIVE OF RACE

The objective of the race is to finish the race with your trailer attached while separating the trailers of your competitors from their tow vehicle. If you lose your trailer, you will be black flagged and you must leave the track. You will be scored accordingly. If you fail to leave the track after the loss of your trailer you will be disqualified - black-flagged & forfeit any purse or awards. You must retain the axle of your trailer to remain in a race. If you lose your trailer axle, you must leave the race. No trailer tongues only will be allowed to remain in a race. A part of the boat/camper or trailer frame must still be attached to win. **If you purposely hit another tow vehicle with your vehicle in the X you will be disqualified immediately.** Length of race is 12 laps unless only one trailer/tow vehicle combo remains intact. In that event, they will be declared the winner.

PURSE - 1. \$500 2. \$300 3. \$200
